

ANIMAL SCIENCE IN ACTION 2003

# Animal Science in Action

- Two day summer program designed to recruit high school juniors & seniors.
- Open to all students with an interest in agriculture.
- Specifically target those involved in 4-H & FFA livestock programs.
- Emphasis on “hands on” experiences with faculty, staff & students.
- Annual attendance ranges from 25 to 55.
- Day 1 at Rhodes Center & Day 2 at Teaching Arena.

# SANFORD STADIUM

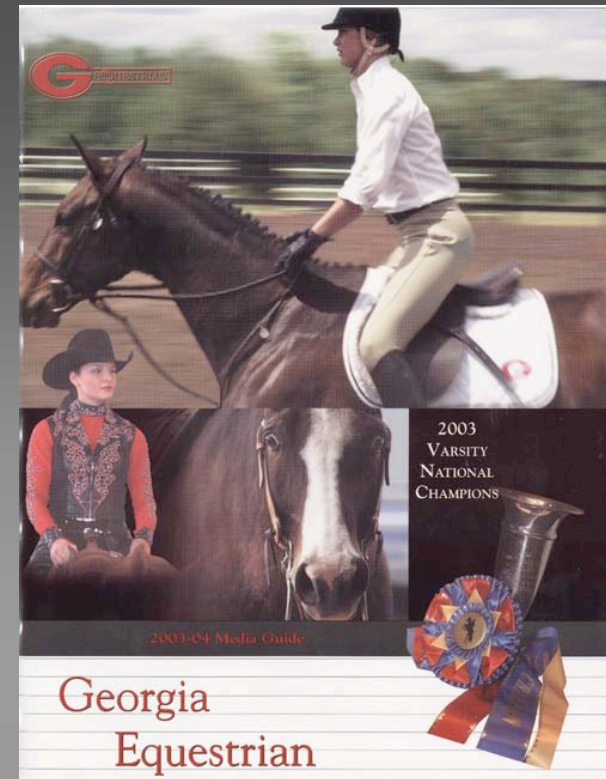

# The UGA Block and Bridle Club

Last year was the first year social security numbers were used to monitor enrollment at UGA.

Over 20% of those seniors last year are now enrolled. Several juniors have been accepted for this fall.
